# First Class

Maroon 1987

Leicester High School  
Winslow Avenue  
Leicester, Ma. 01524

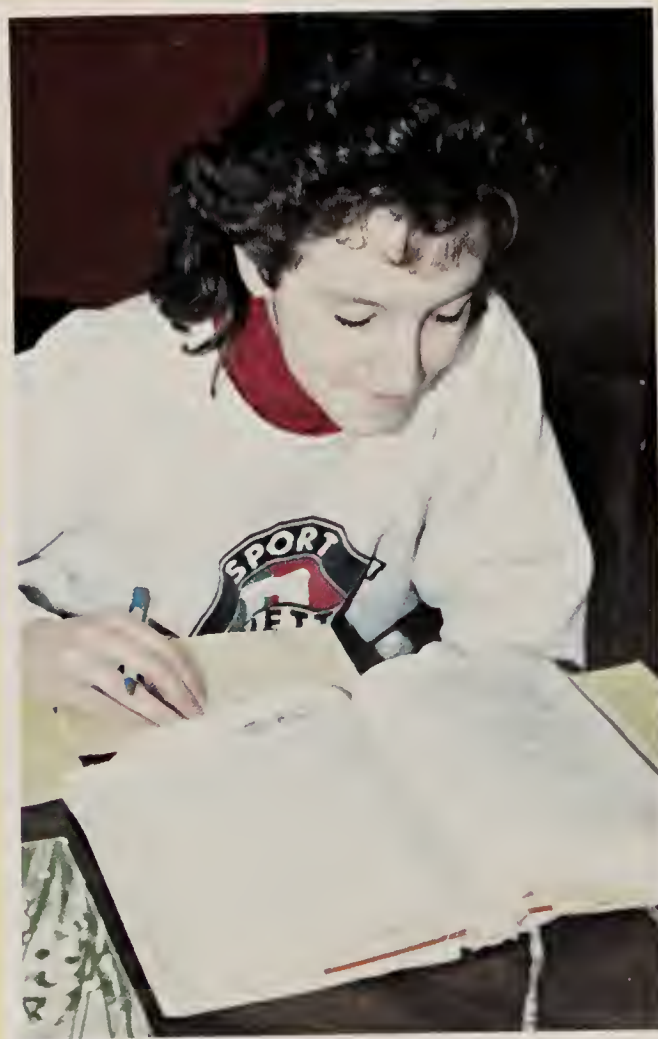

# First Class Academics

Over the years students from Leicester High School have attended some of the most prestigious schools in the country. The class of 87 is no exception with students accepted to: Boston College, Yale, Hesser College, Worcester, Westfield, Salem, and Framingham State Colleges, Holy Cross, Fordham, Vermont, Connecticut, Rhode Island, and Southeastern Mass, Bryant College, W.P.I., and others too numerous to mention here. Students at Leicester High also learn skills essential to education such as: creative problem solving, higher level thinking, Socratic methods of inquiry and self directed learning.

# First Class Friends

**F**riends, old and new, have been an important part of our experience at Leicester High. Some of us have been in school together since kindergarten or first grade, others have joined us as recently as this year. As we go our separate ways, warm memories of good friends will remain with us throughout our lives.

# First Class Times

Memories of special times will stay with us throughout our lives. The intense competition of Olympic Foolery, the hard work and laughter of producing the class play, the junior prom, senior dinner dance and many other experiences that we have had at L.H.S. have enriched our young lives and helped us to become better adults.

# First Class Future

The Future is unclear. All our lives there has been an external guiding force whether parents, teachers, or friends. Now we must make decisions based on our past experiences and decide on a formula to achieve all our goals based on our own unique internal guiding force. Each member of the class of 1987 will set out to design their future, some very conventional while others will be very unconventional. No matter what we, the class of 1987, have a unifying factor which will guide us into the future; Our past.

## Congratulations to the Class of 1987

The Class of 1987 has left a most positive impact on all of us. You are to be congratulated and commended for your outstanding achievements in all areas of your total development. Most of you have sought out the challenges of growing intellectually, emotionally and socially and have met those challenges with a high degree of success. Individually and collectively, you have earned the respect and admiration of all of us. Continue to be responsible, respectful, confident and task-committed.

On behalf of the faculty and staff, best wishes for continued success, good health and lifelong happiness.

Sincerely,

*James E. O'Donnell*

The dedication of a class yearbook is something which students usually give to those with whom they have had close contact through their high school years. The 1987 Maroon as of this writing has not been dedicated. However, we the class of 1987, feel that it would be negligent if we did not include a special thank you in our yearbook to someone who has greatly influenced the course of our education. For seventeen years of hard work, long hours, dedication and caring we would certainly be remiss if we did not extend a heart felt and warm thank you to Doctor Donald Rutter for all that he has done for the Leicester School System, and for us as a class. Thank you Doctor Rutter, and good luck in your future endeavors.

# BUILDING A FOUNDATION

The 1986 Field Hockey season was welcomed with much excitement, but lacking the depth of numbers wins were few, and the Wolverines ended with a 2-9-3 season. The team was led by Captain Kathy O'Donnell and coached by Eileen Donahue who instilled a level of intensity in each of her players.

Each player continued to work and train diligently, uniting to challenge the larger teams of the SWCL, and creating tough competition. The second half of the season offered a couple wins and ties,

success anxiously welcomed and much deserved.

The 1986 season was not a failure. It created a solid foundation for the 1987 seniors, juniors, underclassmen, and future Wolverines. It will be remembered as a season where each player achieved a personal toughness and each learned the true definition of intensity. It was also a season which continued the tradition of rainy practices, heavy maroon sweat-shirts, loud cheers, mental and physical training, and obstacles overcome by raw determination.

(Above) Kris Peterson awaits a drive from the corner.

Ready to play some tough defense.

Driving out of the circle.

# A First Class Football Team!

The Leicester High football team co-captained by Seniors Rob Provost and John Hartnett salvaged a five hundred season by upsetting heavily favored David Prouty on Thanksgiving Day 19-14. On this day there were many fine efforts provided by individuals such as John Hartnett, Rob Provost, Joe Kane, Mike Kemp, Dan Brosnihan, and Sean Giles. This year's squad

was decimated by injuries and as a result was unable to make a charge for the league title. However, despite losing three in a row to much more powerful squads, the Valiant Wolverines rebounded winning their last three games and finishing with a 5-5 mark. Coach Tom Lauder and his squad should be commended on their fine efforts.

# Catch the Spirit!

The 1986 Varsity Football Squad, led by co-captains Evemarie Brosnihan and Sheri Hobby, cheered the Wolverines through a 5-5 season.

Towards the end of the season, each of the varsity cheerleaders was assigned a senior football player whom she would surprise each week

with small gifts and notes of encouragement. Her identity remained a secret until the spirited rally preceeding the annual Thanksgiving Day game.

Their efforts proved worthwhile as they cheered their secret football players to a victory over the David Prouty Panthers.

# OFF AND RUNNING!

**T**he Leicester High Cross Country team enjoyed one of its finest seasons ever under coach Bob Fitzpatrick, finishing with a fine 10-4 record. The team, with co-captains Rich Granger and Kurt Fauerback, finished third in the S.W.C.L. improving its position drastically from past years.

Throughout the year seniors Rich Granger, Steve Johnston, Scott Peterson and Kurt Fauerback led the pack while Kurt Gott and Doug Barthelmes provided great support. Hopefully, due to this year's fine season, interest in the sport at the high school will grow.

# We're coming . . .

**A**fter a fumbling start, coach Bryan Davis got the Leicester Soccer team together and we ended the season with two big wins.

In the game against N.D. Fitchburg almost everyone got a chance to score. It was the largest win the Leicester Soccer team ever had.

It was amazing to see how hard the whole team worked through practices and games during

the season. Even if the ball didn't go "our way" in every game, no one gave up.

High scores of the year were Donny Polinski and Danny Spring. They both did a great job in every game.

Next year will probably be even better because the team has the experience now and with that the rest will come.

It was a great experience for me, as an exchange student, to be on

the team. I had a great time and made some really good friends. I will never forget how everybody gave the ball to me in front of the goal, in our last games so I could score. I finally scored and can bring back to Sweden, the memory of a goal on the soccer team.

I wish you all good luck next year and in the future. I know you can do it!

# Another One for the Wall

The boy's basketball team turned back a disappointing 6-11 record last year having an amazing 18-4 record this season under the leadership of co-captains and 3rd year starters John Hartnett and Steve Johnson. The team went 13-1 in the league, losing only to Grafton, which earned them the SWCL title for the first time since 1974. Other team accomplishments included Leicester's trip to the finals in the Clark tournament (losing to Narragansett by a sole pt.) and reaching the semi-finals in the District E Division II tournament (bowing to a much stronger St. Bernard's team) The Leicester High School boy's team

were also awarded the Cervini-Hardy Sportsmanship Award for their fine sportsmanship throughout the year. Jeff Guinee, Jason Provo, and Dan Spring completed the starting five while teammates Rob Provost, Joe Kane, Jeff Studley, Kevin Pickett, Dan Brosnihan, Don Jubenville and Chris Rutter provided emotional team support, and dedication throughout the season. The memories this team gave will remain in the hearts of the players and the many fans that supported them, for many years to come. Success in the future looks good for the boy's team as the JV boosted an impressive record.

# OUR SPIRIT'S SHOWING . . .

The 1986-87 Winter Cheerleading Squad cheered the Boys' Basketball Team enthusiastically through a successful season, Clark Tournament, and District competition. They were led by captains Laurie Poirier and Evemarie Brosnihan, and co-captain Renee Bates.

As well as cheering for the

basketball teams, the 12 varsity cheerleaders worked hard to perfect a four-minute tournament cheer including jumps, stunts, and pyramids. With this they entered the David Prouty Cheerleading Tournament, capturing the fourth place trophy in the Class I small schools division.

# Fueled By A Goal

**T**he girls basketball team had a very rewarding season, fueled by the success of the previous year. The season began with competition in the Logan Field summer league. It was a tremendous challenge and the Wolverines advanced to the semi-finals. In December, the team started their season by defeating North Brookfield and Auburn for the first time in four years. It was then that the team knew that they were serious contenders for the league and district playoffs.

At the beginning of the season the Wolverines set a goal; Districts. They

worked hard during practice and fought for many victories and achieved their goal. Playing on their home court the team defeated Nipmuc easily in the first round competition. The Wolverines were then defeated by Tantasqua in the semi-final round of district play at Holy Cross college. Other highlights of the year included Judy Moffatt scoring 1,000 points in her Junior year, participation by the Wolverines in the Western Worcester county tournament hosted by Ware High school, and finishing second in the Southern Worcester County League.

# Still Another Championship

The year of 1987 saw many accomplishments in many areas by members of Leicester High School.

The golf team was no exception and brought the Southern Worcester County championship home to Leicester High. Led by co-captains Dan Brosnihan and Mike Kemp the

Wolverines posted an overall record of 8-4-1 and a league record of 7-1-0. The team placed second in the district play offs and were represented in the States. The team would like to thank Coach Bjorklund for his dedication and the owners of Strawberry Hills for the use of their facilities.

# GETTING BETTER ALL THE TIME

**T**he Leicester high boys track team began the year with high expectations. Knowing the numbers were up from last year, they felt they would definitely have a better season. With new head coach, Bob Nelson, and an added incentive of a cookout if they did better than last year, the boys achieved their best record in 9 years, 6-3-1.

The Wolverines were lead by senior captains Trevor Friend, Rich Granger, Joe Kane and leading scorer Tim O'Neil. Other seniors were Jeff Hunt, Tony Brown (the weight man), Jeff Guinee, Scott Peterson and Jeff Studley.

Some highlights of the '87' season were going 4-0 in interhigh competition, which included beating a strong Doherty track team. The most exciting moment had to be a come from behind tie in the last event against a favored Prouty High. It didn't stop there though. On May 16, Leicester sent 7 participants to the districts, they came home from boasting 7 medals. Two were captured by Co-Captain Tim O'Neil. Jeff Guinee, Trevor Freind, Kevin Hartnett, Kurt Gott and Charlie Wilson came home victors.

The boys track team would like to thank Robert Nelson on a fine season.

# Building a Future

The Leicester High School softball season was not the best our girls have had. However, there were some positive aspects to the season. The senior squad consisted of Sheri Hobby, Jennifer Javorski, Andrea Giggey and Sandra Berube. The team was augmented by a number of Junior, Sophomore and Freshmen players. The freshmen seemed to be the most no-

ticeable class and contributed some fine support as they continued to develop their skills. The team will feel the loss of their senior members when they return to the field in the spring, but with many returning underclassmen they are looking forward to future success in their athletic endeavors.

# Another Banner Year

**F**or the second year in a row the Wolverines captured the Southern Worcester County League title finishing with a 12-2 league mark. The Wolverines captained by John Hartnett, Rob Provost and Steve Johnson also earned a district berth but lost to Quabbin as the Wolverines had lost several players. The Wolverines were led by pitcher

Ron Duquette who shouldered the pitcher burden winning nine games. On offense John Hartnett and Steve Johnson led a well balanced attack. Highlights included a 27-16 thrashing of West Boylston to capture the title in which everyone in the line-up had at least one hit. For the many seniors this was the culmination of a very fine year.

# FOREVER

On Friday evening, the ninth of May, nineteen hundred and eighty-six, the Junior class of eighty-seven presented "Forever" at the Spencer Country Inn.

The inn was beautiful with the colors we had chosen, deep burgundy and pastel pink. Our band, Gallery, did exceptionally well performing and keeping up with our requests.

Once everyone had arrived and pictures had been taken, dinner was served. Our menu consisted of fresh fruit cup with sherbert, tossed salad, a choice of Stuffed Chicken Breast or Roast Prime Rib au jus, and to top it all off, the Spencer County Inn Delight for dessert.

Later on that evening our royalty were chosen by both the band and the waitresses. Our queen was Allison Giroux, and in her court were Laurie Poirier, Sheri Hobby, Kristine Johnston, and Sandra Berube. This year, the class of 87 decided to break tradition by also having a king and court. The King's Crown went to Christian Paluk, and members of his court were; Michael Kemp, Timothy O'Neil, John Hartnett, and Richard Snelling. All looked spectacular taking their well deserved crowns.

As the evening dwindled on, the Inn began to lose many of its couples. Those who remained danced during the final hour and to the last song, our chosen song, "Forever" by Kenny Loggins.

# NATIONAL HONOR SOCIETY INDUCTION

On May 12, 1987 the induction of new members to the Horace Mann Chapter National Honor Society took place in the Leicester High School Auditorium. Four senior members of the Honor Society, Vice-Presidents Steven Johnson and Claudia Duquette, Treasurer Mary Newcomer, and Laurie Poirier, led by Society President Joseph Kane, spoke on the qualities sought in the new membership: scholarship, leadership, character, and service. Other speakers included Mr. O'Donnell and Superin-

tendent of Schools Dr. Donald Rutter, who presented Claudia Duquette with the National Honor Society Service Award. Finally, new members were inducted with the instructions: "With this torch I give you light; so may you give light to others." The new officers of the Honor Society were installed as well; instructed in their responsibilities by Joseph Kane and, lighting their candles from those of the previous officers, assumed the responsibilities of the leaders of the National Honor Society.

# CREATIVE CROSS- ROADS

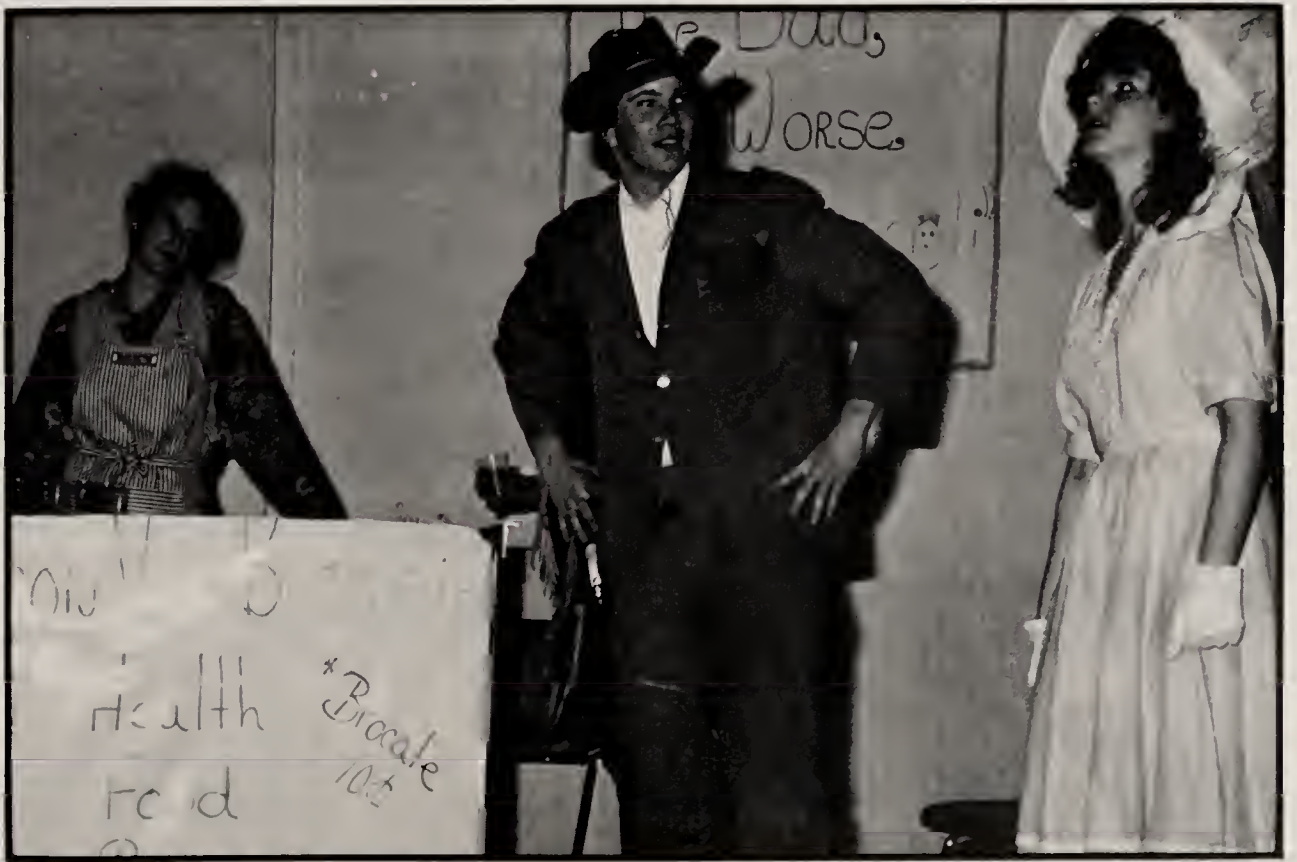

The Leicester High School art show includes visual, dramatic, industrial, and performing arts. It also shows the talents of the home economics, technical drawing, metals, and architecture classes. The art show, headed by Miss Cassanelli this year, showed displays of the work the students have done throughout the year.

The art show was developed 13 years ago and has been a popular event ever since. The students discuss and vote on a central theme to use. All the displays then tie together and present that theme.

The students start a few weeks before the show, preparing their pictures and creations for the show. On the day of the show the students construct their presentations in their section of the gym. They are then admired by all of the people who come to see the show!

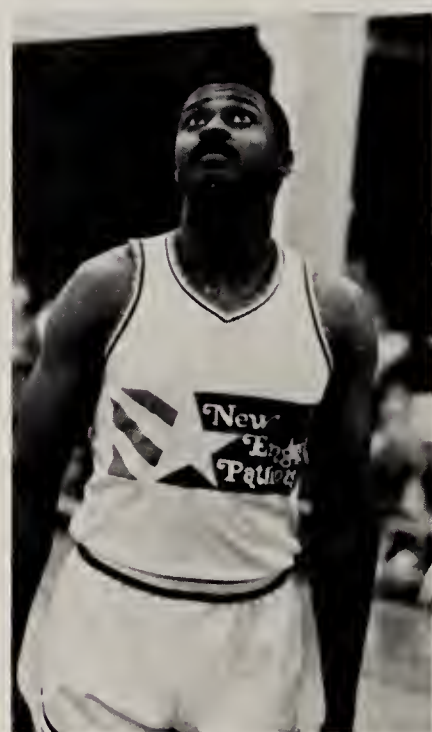

# PATRIOTS GAME

On Feb. 25th 1987, the New England Patriots came to LHS to play a charity game to benefit the Class of 1987 Yearbook. Among those who played for the Patriots were: Ronnie Lippet, Fred Marion, Irving Fryar, Cedreic Jones, Rich Camarillo, Mel Black, Tony Williams, and Ron Wooten. They played a team of High School and Memorial School teachers that included Mr. Chasse, Mr. Albro, Mr. Lauder, Mr. Head, Mr. Davenport and many others. The

Patriots also played a team of senior boys which included Kurt Fauerbach, Tim O'Neil, Mike Kemp, Trevor Friend, and Jeff Hunt. At halftime the Patriot players were very cordial and signed autographs for all who wanted them. The games were very interesting and exciting and demonstrated the incredible athletic ability of the Patriots. For everyone involved it was an extremely satisfying and enjoyable night.

# A DAY OUT OF THE ORDINARY!

The Class of 1987 endured a 2-hour drive to Frank Davis Resort in Moodus, Connecticut accompanied by Mr. Davis, Mrs. Whitney, Ms. Morin, and Mr. Hennessy, for the Senior Class Trip on May 20, 1987. Led by "Coo-Coo", the resort included such attractions as a swimming pool, miniature golf, shuffleboard, volleyball, basketball, softball, tennis, canoes, and paddleboats. A few also took advantage of horseback riding nearby.

Despite a cloudy beginning, the day became sunny and hot, and a few chose to lay around the pool and enjoy the sunshine. After lunch of hamburgers, hot dogs and french fries, a team from Leicester tried to compete in the canoe

races against a team from Blackstone-Millville but didn't last too long when Candy Allen fell out of the boat, due to, she claims the rocking of Jeff Guinee. However, Trevor Friend was more successful in the swimming races, winning first place in the freestyle races and second in the backstroke.

In the afternoon, a disc jockey played dance music in a large hall and some enjoyed an afternoon of dancing. In the evening we enjoyed a chicken barbeque for dinner and finally left for home after a long day of fun and friendship. All in all, the day was most enjoyable, and we all have special memories of our Class Trip.

# WHO DO YOU CALL? GHOSTCHASERS

After many long rehearsals, the curtain opened on the senior class play, *Ghostchasers*. The play was about the antics in an insane asylum, properly known as Hangtown Asylum For Extremely Tense People.

Two neurotic patients stage a successful takeover of the hospital and become the nurse and doctor in charge. Among the other patients are a zombie, an undercover detective, a buglar, a woman who thinks she's getting married, Miss Lemming, and Madame Mysteria. They are lead by Honcho, who fall fall in love with Har-

riet Hollyhock, an innocent visitor. The Ghostchasers are hired to capture the poltergeist. Meanwhile, the real detective is trying to solve the robbery, two nerdy house-hunters wish to purchase the hospital for their home, and a newspaper woman wants to discredit the Ghostchasers.

The Ghostchasers save the hospital from the poltergeist, the real doctor and nurse are once again in charge, and an entertaining evening was enjoyed by all participants and a standing-room-only crowd at all performances.

Miss Tournas directs another successful play.

# STAND BY ME

The Senior Class began gathering at the Hogan Center for the last time before Graduation at 7:00 on the evening of May 26, 1987. Pictures were taken of all the beautiful couples by Casson-Foster, and finally the tables lined up to enjoy a varied buffet of salads, cold meats, lasagna, roast beef, and a table of desserts.

After dinner we gravitated to the

dance floor to enjoy the music of Down East, including the theme song of the evening, "Stand By Me," symbolizing the long-lasting friendships of the Class of 87. Late into the evening we enjoyed the laughter and fun with our friends until finally the night drew to a close, leaving us with lasting memories of our Senior Dinner Dance.

# CLASS DAY

The class of 1987 assembled on the floor of the gymnasium before parents, faculty, and the student body of Leicester High School on May 26, 1987 to conduct our Class Day activities.

All were welcomed by Class President Renee Bates, and this was followed by the reading of the class History, full of reminiscences of our days at Leicester High. The school band played a selection, and departmental and leadership and service awards were presented. The Boy and Girl contributing most to the class were presented to Stephen Johnson and Sheri Hobby, and a scholarship from the class was presented to Tina Snow.

The class prophecy was read, presenting an amusing look at what

might happen to the members of the Class of 87 in the future. Class superlatives were presented, ranging from Most Mischeivous to Most Congenial, and members of the class left something behind to Leicester High in the Class Will. Renee Bates presented the Class Gift, An Activities sign, to Mr. O'Donnell. The class song, "This is the Time", by Billy Joel, was sung by a group of Seniors, and the yearbook was dedicated to Mr. Normand LaPlante.

Finally, after special presentations to retiring Mr. Giddings and Dr. Rutter and the singing of the Alma Mater, the class proceeded out of the gym, leaving a little of ourselves behind and taking with us our memories of Leicester High School.

# This Is The Time

Finally, the long-awaited night had arrived. It was May 27, 1987, and the Class of 1987 gathered at Mechanics Hall in Washburn Hall, nervously a-fixing caps to our heads and arranging our gowns. At last, we lined up in our carefully rehearsed order and processed solemnly to the familiar tune of Pomp and Circumstance into Mechanics Hall where faculty, friends, and relatives awaited the Commencement of the Class of 1987.

The Class listened intently to speeches about our years at Leicester High, and the future that awaits each of us, by Salutatorian Joseph Kane, Class Orator Stephen Johnson, and Valedictorian Mary Newcomer.

Scholarships and Awards were presented by Dr. Donald Rutter, and finally, amid great excitement and pride, the members of the Class of 1987 received their diplomas from School Committee Chairman Mr. David Mero. After congratulations by Mr. James O'Donnell, the Class of 1987 march out of Mechanics Hall to Vivaldi's "Concerto for Two Trumpets" played by Nicola Narcissi and graduate Jeffrey Hunt. Somewhat saddened at leaving Leicester High, but excited at facing the different futures awaiting us, which we have all been prepared for by our years at Leicester High School, we became proud alumni of Leicester High School.

# SPORTS BANQUET

**O**n Wednesday May 20th the annual sports banquet was held. Although awards were presented to everyone who participated in athletics the night belonged to the seniors. For them it was the culmination of a very successful year. Also, this night would provide many special memories for many. Tim O'Neil and Sheri Hobby were the boy and girl contributing most

to athletics while Joe Kane and Mary Newcomer received the student athlete award. Finally, for the first time in the award's history the Wolverine of the Year was presented to three deserving individuals: John Hartnett, Kathy O'Donnell, and Steve Johnson. As we look back we will cherish the memories provided by this night.

Wolverines of Year (L to R) John Hartnett, Kathy O'Donnell, Steve Johnson.

# Yearbook Staff

I would like to take this opportunity to thank the members of the yearbook staff for their hard work and dedication which have made possible the excellent yearbook which you now hold in your hands. Although the names are too numerous to mention, there are many people not pictured on this page who have contributed some

way to this yearbook in terms of time, advertising, artwork, and ideas. A yearbook should be a reflection of the class that it represents and this one is surely "First Class". It has been a pleasure and a privilege to work with each other and every one of you. Good luck in your future endeavors.

# IN APPRECIATION

We the class of 1987 dedicate this year's edition of Maroon to a person who has had an influence on many of our lives, Mr. Normand LaPlante. Mr. LaPlante has given freely and unselfishly of his time over the years to the community and especially to youth of Leicester. Mr. LaPlante was the advisor of Maroon for many years and also held many coaching positions at Leicester High over the years. For twenty-six years Mr. LaPlante has been a model and inspiration to the young people of Leicester. Although he will be missed by all, we would like to wish Mr. LaPlante a long and very happy retirement.
